Skills for Entrepreneurship Development in Pig Husbandry

Introduction

ICAR-National Research Centre (NRC) on Pig, Rani, Guwahati is proud to announce a free online training program on “**Skills for Entrepreneurship Development in Pig Husbandry**” sponsored by National Institute of Agricultural Extension Management (MANAGE), Hyderabad. ICAR - NRC on Pig is a leading Animal Science institute under auspices of Indian Council of Agricultural Research, bringing excellence in pig production, health and product processing through innovative research in order to provide technology backstopping for enhanced pork production, employment generation and poverty reduction among socially and economically weaker sections through the medium of pig husbandry. The online training will provide detailed insights on different skills for entrepreneurship development in piggery sector. It will also impart knowledge on different entrepreneurship opportunities in piggery sector.

Objective

- i) To impart knowledge and skills on different entrepreneurial opportunities in piggery sector
- ii) To orient different stakeholders in piggery sector on entrepreneurial characteristics and entrepreneurship development programmes.
