

ICAR-National Research Centre on Pig Organizes Participatory Rural Appraisal (PRA) and Input Distribution under Institute SCSP

06th August 2022, Maroi

ICAR-National Research Centre on Pig, Guwahati, Assam has organized Participatory Rural Appraisal and Input Distribution programme with 50 SC farmers at Maroi, Darrang District, Assam on 06th August 2022. During the programme, the farmers together with the facilitators prepared PRA tools like social map of the village, venn diagram and problem identification and prioritization. For different activities key informants were selected from the group. The PRA was conducted to gather information related to the available resources, social contacts, constraints and opportunities in improving the livelihood of the farmers. Dr. Keshab Barman, Dr. Kalyan De and Dr. Misha Madhavan M from ICAR- National Research Centre on Pig, facilitated the PRA activities. Different inputs like spade, shovel, rain coat, LED light and steel bucket were also distributed to the farmers during the programme.
