

Post Graduate Diploma on Pork Value Chain Management has been launched at ICAR-NRC on Pig in collaboration with ICAR-IVRI

The inauguration of the “Post Graduate Diploma course on Pork Value Chain Management (online mode)’ at ICAR-National Research Centre on Pig, Guwahati in collaboration with ICAR-Indian Veterinary Research Institute, Izatnagar was held on 03 August, 2024 in a virtual mode. This momentous occasion marked the official launch of the new program by Dr. Vivek Kumar Gupta, Director, ICAR-NRC on Pig. The virtual event was attended by faculty members and students. A total of four students have joined for the programme. The entire programme will be covered in two semesters and is aimed at equipping the students with the practical skills, knowledge, and critical thinking which are needed to excel in their field. The inaugural address by the Director, ICAR-NRC on Pig has offered valuable insights into the relevance of the new program, wherein the speaker emphasized the program’s role in addressing contemporary challenges and advancing professional standards. Dr. R. Thomas, Principal Scientist and Course Coordinator has presented detailed information about the program’s curriculum, academic requirements, and unique features.
